

testing::Test

```
classDiagram
    attendeesLoginTest --|> testing::Test
```

The diagram shows a class hierarchy. At the top is a white box labeled 'testing::Test' with two empty compartments below the name. At the bottom is a grey box labeled 'attendeesLoginTest' with two compartments below the name containing '# SetUp()' and '# TearDown()'. A blue arrow with an open triangle head points from the top of the 'attendeesLoginTest' box to the bottom of the 'testing::Test' box, indicating inheritance.

attendeesLoginTest

# SetUp()

# TearDown()
